

Hi guys!

As we have been mentioning, we are finally in the second half of our transition from ZenPlanner to Wodify. We are very excited to reach this point!

At some point today (Tues May 26th), you should be receiving an email from Wodify welcoming you to the software. This email will provide you with a way to login, create a password, and look over/update your profile information.

If you already have an existing Wodify profile from another box, you will have the opportunity to merge your account. As we have tried to transition to Wodify a few years ago, some of you may come up with a duplicate account, even though you have never been to another box. No worries, the process is the same! Just be sure to click the link highlighted in red below BEFORE you try logging in.

Dear [REDACTED]

To complete your registration for Wodify visit the following link:

Wodify is **CrossFit 101's** athlete performance tracking system. It's accessible inside the box and from any internet connected device. Already have a Wodify Account? Learn more about merging your accounts [here](#).

To get started using Wodify, please complete the 4 steps below:

1. [Login](#), update your picture, gender, and date of birth
2. Download the Wodify Athlete App in the [App Store](#) or [Google Play](#)
3. Watch our instructional [videos](#) to learn how to use Wodify.
4. [Like the Wodify page](#) on Facebook for tips and tricks

Again, EVERYONE needs to click that link first! Before you try logging in, before you download the app...click link in email first!!

Shortly after the welcome email, you will be receiving a second email pertaining to your contract and membership. No changes here, same membership and contract as you had before. We just have to get them into Wodify. With this second email, it is very important that you have entered your billing info by this time. Your final payment cycle will have begun with ZenPlanner. After which, your new billing date will be the first of the month beginning July 1st in Wodify. In regards to your final billing cycle with ZenPlanner, that period will simply be prorated until July 1st. Please see the attached chart for further explanations and details on how the final billing cycle will be prorated.

So we know there will be some hiccups along the way, but rest assured we are here to help everyone transition smoothly, and will get any issues ironed out quickly. We greatly appreciate your patience during this process, and in the end, this change is going to give us the flexibility to further enhance our box and implement new features that will benefit everyone! Any questions, comments, or concerns? Feel free to reach out to a coach, post in the FaceBook Solafide Member's page, or send email to ollie@crossfitsolafide.com (lucky guy helping with the transition)
